POLIO
NOW

This World Polio Day, What If Every One of Us Gave \$20?

On October 24, World Polio Day, Rotarians have an opportunity to do something remarkable together with **just \$20**.

We are asking every Rotarian in our district to make a personal gift of \$20 to PolioPlus on World Polio Day. Twenty dollars by itself may not sound transformational. But multiply it by every member of every Rotary club across our district, and something powerful happens. **We act together.**

Imagine being able to say that on October 24, Rotarians throughout our district, from our newest members to those who have served Rotary for decades, stood together behind one simple idea: **Every member. Every club. Twenty dollars. One promise. End polio.**

We're asking each of us to start with \$20, the price of a couple of lunches or a few cups of coffee, and turn it into something much bigger by doing it together.

On October 24, please make your \$20 gift to Rotary's PolioPlus Fund. Then tell another Rotarian you've done it. Ask them to join you.

Someday, when the world records its final case of polio, Rotary will have helped accomplish something extraordinary. And each of us will be able to say: **I was part of it.**
